

Houston Scottish Rite Learning Center

The Houston Scottish Rite Learning Center, Inc. is a 501(c)(3) tax-exempt charitable organization. It is operated by an all volunteer Board of Directors. Its programs are designed to help children with speech, language and learning disorders overcome their disabilities and become successful readers. In the past year we have positively impacted the lives of over 100 children in the greater Houston area.

What your donations support

- **Our School Program for Children with Dyslexia**
- **The Houston RiteCare Infant Program at the Center for Hearing and Speech**
- **The Houston Scottish Rite Scholarship Fund at the Robert J. Strudler Diagnostic and Remediation Center at St. Thomas University**
- **Project T.A.L.K. at the University of Houston for Speech-Language Pathology Graduate students**
- **Houston RiteCare Summer Tutorial** The program seeks to improve and maintain hearing-speech skills during the Summer

Shriners Hospitals for Children®
Love to the rescue.™

Shriners Hospitals for Children is a network of 22 non-profit medical facilities across North America. Children with orthopedic conditions, burns, spinal cord injuries and cleft lip and palate are eligible for care and receive all services in a family-centered environment, regardless of the families' ability to pay.

Shriners Hospitals for Children – Houston provides the highest quality care for a wide range of pediatric orthopedic and neuromusculoskeletal disorders and diseases, as well as cleft lip and palate. The inpatient and outpatient units are colorful, kid-friendly and designed to place patients and families at ease.

Houston, TX
6977 Main St. Houston, TX 77030 713-797-1616

Galveston Shrine Hospital for Children provides acute, reconstructive and rehabilitative care for children with burns and other skin conditions. Our inpatient and outpatient units are designed to allow children to recover in a safe, fun and friendly environment where family comes first. Our world class physicians and researchers are committed to continuously advance burn care and treatment to children from all over the world.
